Whole Earth ìReviewî meeting

Draft

I suggest the follow people be invited to our ìReviewî meeting

1. **William Rosenzweig - former CEO of Republic of Tea**, VP marketing Odwella.

Executive Director and Teaching Fellow
Socially Responsible Business Leadership Initiative
Haas School of Business
University of California, Berkeley
wbrose@pacbell.net

2. **Christien Boskin**, a respected veteran of magazine publishing. Ms. Boskin's 26-year career in publishing has included successful leadership positions in sales and marketing with **Worth magazine, Hearst Magazines, The New Yorker, Bon Appetit, Countryside, and Town & Country**. In 1987, she was included among "100 Outstanding Magazine People" by Advertising Age magazine.

Contact her via Greg Shove

3. **Greg Shove,** Group Vice President, **America Online** gregshove@aol.com

4. **Peter B. Collins**

Email: Peterb@collinsmediaservices.com
Phone: (415) 258-9467
Fax: (415) 454-4300

5. **Andrew Anker**, general partner at August Capital in Menlo Park, Calif, former **Wired CEO**

6. **Lisa Gansky was founder & CEO of GNN (Global Network Navigator),** the first commercial Web site, which was acquired by AOL in 1995. She continued with AOL as Vice President overseeing Internet specific properties and strategies, including Webcrawler, on-line advertising and e-commerce. Lately, she's been working to bridge the gap between commerce and nature -- primarily focused in her work with Dos Margaritas.

7. **Gary Bolles**, Gary is the Editorial Director for Inter@ctive Enterprises, a division of Ziff-Davis Publishing Co. Gary leads new editorial efforts for the company, including the recent launch of Sm@rt Reseller, a print and online (www.smartreseller.com) publication focused on the technology implementation channel. Gary also writes an online column for Inter@ctive Week and a monthly column for @media, the newsletter for interactive marketers.

Gary was the founding **editor-in-chief of Inter@ctive Week, and is the former Editor-in-Chief of Network Computing Magazine**. He was previously Chief Operating Officer for Evolve Software, Inc. and Vice President of Marketing at LAN communications manufacturer Network Products Corporation. Gary writes and speaks on a wide variety of subjects such as enterprise computing, the Internet, and interactive marketing. He currently hosts a ZDTV technology show called "Working the Web."

8. **Chris Anderson, TED conferences and CEO Imagine Media.**
